

Dear John

GOVERNMENT ANNOUNCES INVESTMENT ALLOWANCE TAX BREAK

Our big-hearted Federal Government has potentially given CISCO buyers a 30% "discount". The details below are summarised from the Government Press Release.

Small businesses can claim an additional 30 per cent tax deduction for eligible assets costing \$1,000 or more that they acquire from 13 December 2008 to 30 June 2009, and install by 30 June 2010. Small businesses must have a turnover of less than \$2 million a year to qualify.

For eligible assets costing \$1,000 or more that they acquire from 1 July 2009 to 31 December 2009, small businesses can claim an additional 10 per cent deduction where they are installed by 31 December 2010.

Other businesses can receive the same deductions for eligible assets greater than \$10,000.

For confirmation of whether this incentive applies to you and any potential network purchases, please get in touch with your Finance/Accounting Department or the ATO.

STRETCHING YOUR IT BUDGET

Anecdotal evidence is that IT budgets have almost universally been pruned or even frozen.

Here are our top suggestions for stretching your budget or freeing up money for needed IT expenses :

- Consider trading in or selling surplus gear ;
- Utilise 3rd party GBICs and memory ; apply the savings to other purchases ;
- rent gear rather than buy : many organisations even count this outside Capital Expenditure budgets. We offer Rent/Buy options;
- Even if you are a diehard buyer of New CISCO consider the selective purchase of Refurbished CISCO. Line cards, WICs , VWICs and network modules have no IOS support requirement and can be purchased with warranty at a fraction of the New cost.
- Avoid "bleeding-edge" technology with the associated expense and potential for failure/compromises. Give new product time to be tested in the market and use cheaper, older models in the meantime.

SOME OTHER GREAT CRB BARGAINS ARE LISTED BELOW

(Note that this is just a small selection of items we can supply - but they are representative of savings to be made. Call or email for a quote)

| ITEM NUMBER AND DESCRIPTION | LIST PRICE | OUR PRICE | DISC % | STOCK | CONDITION | QUOTE |
